The FDA has approved the human study of brain implants and the US military has already begun testing AI brain implants on human soldiers.

A United Nations's panel has warned that brain chip technology being pioneered by Elon Musk's Neuralink could be abused for 'neurosurveillance' violating 'mental privacy,' or 'even to implement forms of forced re-education,' threatening human rights worldwide.

The FDA has approved the human study of brain implants and the US military has already begun testing AI brain implants on human soldiers.

In this video Dan Dicks of Press For Truth looks at the current and latest major steps towards transhumanism that is being sold on convenience and health but in reality it's looking more and more likely to evolve into an eventual Orwellian nightmare of control by the powers that ought not be.

I think most people don't really understand Transhumanism... They also don't understand the danger that is Elon Musk & Ai respectively. I write about this stuff for years especially the involvement of Elon Musk. But for all who don't understand Transhumanism I wrote about it using Franz Kafka's Metamorphosis to make people understand the dangers.
